

# Big River Timbers Flooring Accessories

Big River Timbers distributes a wide range of support products and accessories, including coatings, adhesives, underlays, hardwood trims and floor maintenance products.

## Polycure Coatings

The Polycure product range includes water-based floor coatings, polyurethane floor coatings, solvents, thinners, additives and floor maintenance products.

All products are formulated to be compatible with the Big River Timbers flooring range.

## Polycure Floor Maintenance System

Polycure floor maintenance products are available in easy to use 1-litre handy packs or 5-litre and 10-litre quantities.

### UV Revive Floor Clean

## Polycure Polyurethane Coatings

### Single Pack MC Satin

One-pack, interior, clear, 60% subdued gloss, moisture-curing polyurethane with high abrasion resistance.

### Single Pack MC Gloss

One-pack, interior, clear gloss, moisture-curing polyurethane with high abrasion resistance. Achieves a high gloss finish when used in a 3-coat system.

### Solvent Sealer

Single pack, fast-drying sealer, allows two coats in one day. Lightens timber and provides more natural look.

## Polycure Water-Based Coatings

### Single Pack Aqueous Sealer

One-pack, clear, water-based sealer that provides a quick-drying, easily sanded, superior foundation for subsequent coats in the gloss level of your choice.

### Single Pack Aqueous Gloss

One-pack, interior, water-based, clear, 90% gloss.

### Single Pack Aqueous Satin

One-pack, interior, water-based, clear, 30% gloss.
